A newspaper, or a packet of newspapers, posted unpaid is chargeable with double postage; if insufficiently prepaid, with double the deficiency.

Parcels containing fish, game, meat, eggs, etc., or knives or other sharp instruments, can only be sent if so packed as to prevent all risk of injury to other parcels. Liquids or semi-liquids are not accepted unless in bottles or cans securely stoppered and suitably packed to prevent damage; nor powders, unless so packed that they cannot escape in transmission. Bottles or glass in any form can be accepted only when so packed as to be secure from breakage. If a parcel be tendered in a damaged or insecure condition it will be refused.

A parcel known to contain a prohibited article, or a parcel intended for delivery at an address other than that borne on the parcel itself, is liable to be refused.

Undeliverable parcels which do not contain the address of the sender and are not applied for are liable to be disposed of after three months. Parcels containing perishable articles will be dealt with as may be requisite.

It is most desirable that the name and address of the sender should appear on the outside of every parcel.

INLAND CASH ON DELIVERY SERVICE.

By arrangement with the Railway Companies the service is applicable also, within certain limits, to consignments sent by rail.

The C.O.D. fees, which are additional to the ordinary postage, vary according to the Trade Charge (*i.e.* the amount to be collected), and are fixed on the following scale:—

The Postmaster-General will, subject to the rules as to posting and packing, pay compensation up to a maximum limit of 400l. for the loss and damage of Inland Registered Postal Packets of all kinds upon payment of a fee in addition to the postage. This fee either consists of or includes in each case the ordinary registration fee of 3d.; and the scale of fees, and the respective limits of compensation are as follows:—

IMPERIAL AND FOREIGN PARCEL POST.

Packing.

Parcels for places abroad should be substantially packed with due regard to length of journey, conditions of transit, climate, etc., *e.g.*, cardboard or ordinary brown paper is not, in general, sufficient packing for a parcel sent to a place abroad. For some countries special kinds of packing are required by the Post Offices of transit or of destination.

Customs Charges Abroad.

Any parcel is liable to be opened for Customs examination abroad: and the contents are subject to Customs Duty according to the laws of the country of destination. The Postmaster General can give no information as to the Customs tariff of particular countries, but if the sender desires an indication of the amount of duty likely to be levied, he should apply to the Department of Overseas Trade, 35 Old Queen Street, Westminster, London, S.W.1, and 9-12 Basinghall Street, London, E.C.2; in Northern Ireland, to the Ministry of Commerce, Chichester Street, Belfast.

Customs Declaration and Despatch Note.

The sender of a parcel is required to make, for Customs purposes abroad—upon a special form or forms which can be obtained at a Post Office—an accurate declaration of the nature and value of the contents and other particulars. The form or forms should be filled up in ink. *Undervaluation of the contents of a parcel or failure to describe them fully may result in seizure of the parcel*, or in the imposition of a heavy fine. The net weight or quantity of the different kinds of articles contained in a parcel should be separately stated.

For postage rates and for particulars of the Services to individual countries, enquire at any Money Order Office. See also Table in current issue of the *Post Office Guide*.

AIR MAIL SERVICES.

Particulars of the services, showing Air Routes, Countries served, fees payable, etc., are given in the current Air Mail Leaflet, of which a copy can be obtained by applying at any Post Office.

The general regulations of the Air Mail are given hereunder:—

Letter Air Mails.

1. *Any kind of letter packet may be sent by Air Mail*, that is, letters, postcards, printed papers and commercial papers, and samples. An Air Mail packet may be posted in any of the ordinary ways of posting. It can be accepted for registration, but *insurance* is limited to letters and boxes for Holland and Switzerland. The ordinary arrangements for *Express delivery* and the use of the green label system (for articles liable to Customs duty) apply.

2. *A special Blue Air Mail label* must be affixed to the top *left hand corner of every Air Mail packet.* These labels may be obtained, *free of charge*, at any Head or Branch Post Office and at certain others.

If an Air Mail label is not available the packet should be clearly marked "By Air Mail"; *but the absence of an Air Mail label may lead to delay.*

3. Air Mail correspondence must be prepaid in stamps to the full value of the combined postage and Air Fee. If the proper fees are not paid the packet cannot be sent by Air Mail.

PARCEL AIR MAILS.

4. Except where otherwise indicated hereinafter, *the General Regulations of the Imperial and Foreign Parcel Post apply, e.g.*, as regards maximum weight and dimensions, Customs Declarations and Despatch Notes, Compensation, etc., see *Post Office Guide.*

5. *Accepting Offices.*—Air parcels may be posted at any Post Office which accepts parcels for places abroad. Air parcels *exceeding* 11 *lb. in weight* are accepted at the same Offices and under the same conditions as similar parcels for transmission by ordinary post.

6. *The sender of an Air parcel must affix an "Air Mail" label to the address label of the parcel and to the relative Despatch Note*, and should write the words "Air Mail" conspicuously on the cover of the parcel. He must also prepay, in the usual way, the appropriate inclusive rate of postage, see *Post Office Guide.*

7. In addition to rapid transit by Air service, an Air parcel is usually given speedy Customs clearance abroad. *It is important*, in order that these advantages may not be thrown away, *that the relative Despatch Note and Customs Declarations should be very carefully completed in accordance with the general regulations.*

8. Air parcels cannot be insured, except in the case of those for Holland and Switzerland.

9. Particulars of the Air Parcel Services available are given in the Air Mail leaflet. *The latest times of posting* can be ascertained by enquiry at the local Head Post Office.

Note.—During the winter certain of the services are either suspended or offer no appreciable advantage for mails from Great Britain—*see* current Air Mail leaflet.

the Telegram is handed in) is one-half the charge for transmission. If containing mercantile quotations or code words a Telegram ought always to be repeated. If the receiver of a Telegram doubts its accuracy he may have the whole or any part of it repeated without charge so long as the original telegram form is on hand at the office of origin.

The cost of a reply may be prepaid up to a maximum amount of 4s.

Copies of a Telegram, directed to more than one firm or person in the same free delivery will be delivered separately at an additional charge of fourpence per copy beyond the first. Each London Postal District is regarded for this purpose as forming a separate delivery.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being counted for the mark of division, thus—½ counts as one word, and 109½ as two.

All Telegrams for delivery at addresses within three miles (one mile in Irish Free State) of the office of delivery, or within the town postal delivery in the case of a Head Post Office, are delivered free. The charge for delivery of a Telegram at any address beyond the limits of free delivery is at the rate of 6d. for each mile, reckoned from the boundary of the free delivery, any fraction of a mile being reckoned as a mile.
